SPRACHKENNTNISSE

Polish: Native
English: Fluent
German: Very Good Proficiency

INTERESSEN

- Web Development
- Programming
- Graphic Design
- Cryptocurrency
- Artificial Intelligence (AI)
- NFTs

HOBBYS

- Football
- Skiing
- Ice Skating
- Cycling

INTERESTS

I discovered my passion for IT and software back in school. Today, I am also fascinated by topics like cryptocurrencies, NFTs, and AI. Besides my interest in technology, I am enthusiastic about sports—whether it's football, skiing, or ice skating. My diverse interests demonstrate that I am always curious and eager to develop myself further.
